

Zero License

First of all thank you for your download! It means a lot to me you value my work enough to download it. Even though the product is free for personal use donations - no matter how small - are much appreciated. You can make a donation to the Paypal address info@amberdoesfreelancing.com. You're currently reading the Zero License. With this license you can or cannot do the following:

You Can	You can't
Use the product for unlimited personal projects	Use the product for commercial projects
	Use the product as part of your branding (examples: In your logo, stationary kit, first, secondary or third main website font.)
	Sublicense, resell, share, transfer, or otherwise redistribute the product on its own (even for free)
	Download the product on more than one computer

Do you need to use the product for one or multiple commercial projects? Or do you want to use the product in your branding? Visit <http://www.amberdoesfreelancing.com/licenses> for more license options.
